Hi Oulmann

Its mid October so I am just emailing the remaining labs a final reminder to send me the results by end of month. Thanks again for all the hard work, and we look forward to receiving your datasets!

Cheers
Adam

Hi Adam,

Thank you for your follow-up. We've collected the data in Nanterre and are checking its quality. We'll send the results to you by October.

Thank you for securing the extension with the Editor.

Best regards

I have obtained a final round of extension with the Editor so as long as you send me the results by end of October it should be fine.
